Sim-U-Vel is a velvet-like flocked foam with a distinctive velour surface that produces a great impression.
Sim-U-Vel can be laminated to other materials, giving them a plush appearance and feel to beautify, display and protect items from fragile and delicate to heavy and durable.
Sim-U-Vel is manufactured 1/8" thick by 27" wide. Custom colors are available.
Sim-U-Vel is stocked, ready to ship in 100 yard rolls. Please contact us for details.
